SUPERVISOR COMMENTS

Officers assisted Swing Shift with calls for service right out of briefing. Calls for service kept Officers busy until about 0100 hours when calls for service really slowed down. This allowed Officers to get caught up on reports from last night's busy shift. Stanislaus County Sherriff's Department requested two units code 3 for a commercial building verified alarm in the City of Denair. Officers assisted Deputy's at the scene and then responded back to our city.
